

# Disability Accommodations

The Academic Skills Center, located in room 211 of the Wright Campus Center, addresses the academic needs of students with documented physical, psychological and learning disabilities.

Accommodations are provided in accordance with the Americans with Disabilities Act Amendments Act, ADA-AA, for eligible students upon request. Eligible students must provide documentation that appropriately substantiates the need for requested accommodations.

Once you file appropriate documentation, you will meet with the Director of the Academic Skills Center to identify accommodations and other suitable academic strategies. At the beginning of each semester, you will be required to fill out paperwork with the director to request the use of accommodations for courses in which you are currently enrolled.

If you have a disability, please complete the following questions so that the College will have an idea of the services you may need. All information disclosed on this form will be kept confidential and will be shared with appropriate college personnel on a need-to-know basis only.

*If you think you might need to request accommodations at any time while at Austin College, please complete this form and send a copy of any documentation you have to:*
