How and When to Apply for Need-Based Aid

- Complete the Free Application for Federal Student Aid (FAFSA) on or after January 1, 2016
 - To electronically sign your FAFSA both you, the student, and one of your parents or legal guardians will need to obtain a PIN. Go to www.pin.ed.gov to get your PIN. Keep this PIN in a safe place. You will use it each year you file the FAFSA and should you take out a Federal Direct Loan, you will need this same PIN to e-sign your Master Promissory Note.
 - Add Austin College to the list of institutions to send your FAFSA to. Our school code is: **003543**
 - The priority deadline to file your FAFSA is April 1.
- * The Office of Financial Aid will send Financial Aid Award Notifications to students who are admitted to the College and for whom FAFSA data has been received.
- * The Financial Aid Award Notification shows the student's eligibility for financial aid from all sources: federal, state and institutional.
- * This financial aid may be in the form of scholarships, grants, work-study, need-based loans and non-need based loans. Examples of need-based aid are Federal Pell Grant, Federal SEOG, Tuition Equalization Grant (TEG), Institutional Grant, Federal Work-Study, Federal Perkins Loan, and Federal Direct Subsidized Stafford Loan.
