

Visiting Assistant Professor of Mathematics

Austin College, a selective private liberal arts institution in north Texas, invites applications for a one year visiting position at the rank of Visiting Assistant Professor of Mathematics beginning August 2017. Qualifications include a Ph.D. or Ed.D. in Mathematics, excellence in teaching, evidence of professional vitality, and a commitment to teaching and scholarship in a liberal arts environment. Candidates who are ABD will also be considered. A typical course load is three classes per semester, and a January term; this will include introductory courses such as Statistics, Precalculus, and Calculus.

Austin College is a private, residential, co-educational college dedicated to educating undergraduate students in the liberal arts and sciences while also offering select pre-professional programs and a graduate teacher education program. An Austin College education emphasizes academic excellence, intellectual and personal integrity, and participation in community life. We are committed to the breadth of a liberal arts education and equipping students with the ability to think critically, problem solve, and communicate effectively so that they can succeed today and in the rapidly changing world of the future. Austin College is one of 40 schools profiled in Loren Pope's influential book *Colleges That Change Lives*.

Please submit a letter of application, C.V., graduate transcripts, statement of teaching philosophy, and three letters of recommendation to mathsearch@austincollege.edu or you may mail your materials to Sheila Amin Gutiérrez de Piñeres, Vice President for Academic Affairs, Austin College, 900 N. Grand Ave., Suite 6D, Sherman, TX 75090-4400.

For further information contact Prof. J'Lee Bumpus, Chair of the Mathematics and Computer Science Department at jbumpus@austincollege.edu.

Applications submitted by March 3 will receive full consideration. Review of applications will continue until position is filled or closed.

Austin College is an *Affirmative Action/Equal Opportunity Employer*. Must be legally authorized to work without sponsorship for employment visa status (e.g., H1B status).
