

Chemistry Major

as of Fall 2022

STUDENT NAME: _____ AC ID: _____ DATE: _____

Supporting Courses				COMPLETE	INCOMPLETE
Course Assigned	Course Credits Earned	Term Plan to Enroll	Course Specifications		
PHY 112 (or 106)	n/a		Does not count toward credits in the major		
MATH 152	n/a		Does not count toward credits in the major		
BIOL 116 (or MATH 251/252 or PHY 211 or CS 110/111)	C- or better		Does not count toward credits in the major		
Core Requirements (2 courses)				COMPLETE	INCOMPLETE
Course Assigned	Course Credits Earned	Term Plan to Enroll	Course Specifications		
CHEM 111 or 211**			C- or better		
CHEM 112			C- or better		
Foundation Courses (5 courses)				COMPLETE	INCOMPLETE
Course Assigned	Course Credits Earned	Term Plan to Enroll	Course Specifications		
CHEM 221			C- or better		
CHEM 222			C- or better		
CHEM 332					
CHEM 341					
CHEM 342					
Advanced Chemistry Course (1 course)				COMPLETE	INCOMPLETE
Course Assigned	Course Credits Earned	Term Plan to Enroll	Course Specifications		
CHEM**			400 level		
Inorganic Chemistry Requirement (can be met with ** marked courses above)				COMPLETE	INCOMPLETE
Course Assigned	Course Credits Earned	Term Plan to Enroll	Course Specifications		
CHEM 211					
CHEM 412					
Chemistry Elective (1 course)					
Course Assigned	Course Credits Earned	Term Plan to Enroll	Course Specifications		
CHEM			200 level or higher		
Research Requirement (select one option to complete CHEM 480)				COMPLETE	INCOMPLETE
Direct research on or off campus					
Internship in an industrial setting					
Employment in an industrial laboratory					
TOTAL CREDITS 9
