The Sexual Harassment, Assault, And Rape Prevention (SHARP) Class is an annual Jan Term Class Session offered to female students on a particular Wednesday Night. The Class is coordinated with Campus Police and Student Life. The Police Chief and Crime Prevention Officer are the Police contacts, and the Head Residents of Baker Hall and Clyce Hall are the Student Life representatives.

The class is limited to 30 Students, which has been determined manageable as far as financial and activity are concerned. Sign-Up usually begins the Monday before the Wednesday Class. Wednesdays are the specified date because the Instructor, Rick Arnold keeps Wednesdays open for one-time sessions for the community. Other nights and weekends are usually booked for weekly classes and Tournaments.

Students do not have to pay to participate, as the Jan Term Activity Budget covers the cost.

- The minimum cost is \$300.00 to cover up to the first 20 attendees at \$15.00 per person.
- The next 10 attendees (up to a maximum 30) costs \$20.00 per person.
- The Maximum cost would be \$500.00 if all 30 slots were filled.

The Campus Police Chief or Crime Prevention Officer opens the program by having attendees sign in and take a 2 page Pre-test. They then introduce Rick Arnold and Rick takes over the class from there. The class is monitored occasionally, and usually a Student Life Head Resident or Area Coordinator sit in for the duration.

Near the end of the Class, the Campus Police Official returns, thanks Rick Arnold for his time and requests that the attendees complete the Post-test. One question regarding how much knowledge the person believes they have at the start and at the end of the class is used to gauge overall success. The Pre-test and Post-test are identical.

All records are kept at Campus Police for review and inclusion in the Department's Annual Reports.
