### **Baker Residence Hall Television Resolution**

Sponsor: Nicolas N. Rodriguez Student Assembly Representative Baker Hall

**Observing** that the current TV found within the Daniel Baker Lobby is rather old, small, and bulky,

**Noting** residents are discouraged from participating in activities downstairs with other members of the community,

**Convinced** by the overwhelming response from residents that the TV is in fact too old, too small, and discouraging,

**Furthermore** many of the residents of Baker support and desire a newer TV that has compatibility with more gaming systems,

**Be it resolved** that the Student Assembly authorize the purchasing of the following:

1. Sharp - AQUOS - 50" Class (49.6" Diag.) - LED - 2160p - Smart - 4K Ultra HD TV – Black \$699.99 (Free Shipping)
2. Rocketfish™ - Tilting TV Wall Mount for Most 32" to 70" Flat-Panel TVs – Black \$99.99 (Free Shipping)
3. HK26B Cable Lock \$27.95 (Free Shipping)
4. Kanto - Wall-Mounted Shelving Unit – Black \$72.99 (Free Shipping)

For a total expense of \$900.92 which will be taken from the Student Assembly endowment, to be installed by Physical Plant at no cost to the Assembly.
