### Charging Stations in Campus Facilities

Sponsors: Shane Brooks, Budget & Finance Chair

Ryan Knesek, Representative

Caitlyn Collins, Representative

Shawn Slowinski, Representative

**Understanding** many Austin College students use electronic devices in the Wright Campus Center living room, Pouch Club, and Idea Center, but do not bring a charger or have an appropriate location for charging these devices,

**Noting with regret** that while there is a charging station on the first floor of the Abell Library, there is currently no such stations in any other campus facility,

**Convinced** that students have a strong desire for additional charging stations to be added in the Wright Campus Center living room, Pouch Club, and Idea Center,

**Having seen** the general opinions of the affected students regarding this idea, including 91% of those surveyed showing support of additional charging stations,

**Be it resolved** that the Student Assembly authorizes the purchase and installation of the following items  
(2) Kwikboost Wall Mounted Charging Stations - \$499/station  
(1) Kwikboost Floor Stand Charging Kiosk - \$799/station  
for a total of \$1797 using funds from the Student Assembly Endowment and will be installed by Information Technology in the following locations: Idea Center atrium, Pouch Club, and Wright Campus Center living room.

**\*Note:** Links to specific items to be purchased:  
<https://kwikboost.com/mobile-charging-station/>  
<https://kwikboost.com/floorstand/>

**\*Note:** that Physical Plant has agreed to do the installation at no cost to the Assembly.

**\*Note:** that Dr. Steven Goldsmith (Dean of Sciences) and Tim Millerick (Vice President of Student Affairs) have approved of these potential upgrades.
