**Clyce Residential Hall Television Resolution**

Sponsor: Shirley Banh and Ryan Knesek, Clyce Hall Representatives

Co-Sponsor: Nesh Maniam, Student Body Goal Coordinator

- Having examined** that the current television in the Clyce Residence Hall television room is currently not being utilized due to its status as outdated and broken,
- Noting** that Clyce Hall is the only residential hall without a flat screen. In addition, the current television cannot emit sound and is not HDMI capable,
- Convinced** that the residents are not able to have access to a TV because the current one is too old, cannot function properly, and discourages recreational activities in the lobby,
- Taking into account** that 46% (26) of residence in Clyce have never utilized the television in the Clyce Lobby area, 75% of students (42) would use the television more if it were replaced, and 85% (46) think that the TV should be replaced,
- Be it Resolved** that the Student Assembly authorize the purchasing of the following:
1. Sharp - AQUOS - 50" Class (49.6" Diag.) - LED - 2160p - Smart - 4K Ultra HD TV – Black: \$629.99 (Free Shipping)
  2. Insignia™ - Fixed TV Wall Mount for Most 40" - 70" Flat-Panel TVs – Black: \$59.99 (Free Shipping)
