**Clyce & Hopkins Bike Rack Improvements**

Sponsors: Will Gerber, Freshman Class Representative  
Co-Sponsor: Deric McCurry, Elections Committee Chair

- Convinced** that many Austin College students ride bicycles on campus and utilize the existing bike racks to park and store their bikes during class, meetings, etc.,
- Aware** that the bike racks on campus are outdated and/or broken and not able to effectively be utilized near Clyce Hall and the Hopkins Center,
- Hoping** that any new bike rack additions or improvements would be uniform with some of the more recent additions (i.e. bike racks outside of the Wright Campus Center & the Mason Complex),
- Be it Resolved** that the Student Assembly authorizes the purchase of the following bolt-in-ground bike racks:
- 1 – 7 Loop/9 Bike Powder-Coated Black Wave Bike Racks at \$230 per unit to replace the bike rack at Clyce Hall
  - 1 – 5 Loop/7 Bike Powder-Coated Black Wave Bike Racks at \$175 per unit to replace the bike rack at Hopkins Center
- Total cost including shipping will be \$634.56 (\$229.56 for shipping).
