Diaper Changing Stations Resolution

Sponsor: Pranav Sheth, Vice-President

Having examined there are no restrooms on the Austin College campus that contain a diaper changing station,

Recognizing there are students who have young children on campus, as well as faculty and staff who bring their children on campus often,

Noting the Wright Campus Center is a common building that is visited by students, faculty, staff, as well as prospective students and families, and other visitors who may have small children,

Understanding there are currently no safe or sanitary facilities available that allow parents to change a baby's diaper,

Be it resolved that the Student Assembly authorizes the purchase and installation of the following items:
(2) Koala Kare KB200-05 Horizontal Baby Changing Station - White Granite (Free Shipping) \$205.49/station
(2) Koala Kare KB150-99 Baby Changing Station Bed Liners 500 / Case (Free Shipping) \$33.99/case
for a total of \$478.96 using funds from the Student Assembly Endowment

***Note:** the selected model complies with requirements instituted by the Americans with Disabilities Act

***Note:** the baby changing station bed liners will be ordered as necessary by the Student Assembly.

***Note:** that Physical Plant has agreed to do the installation at no cost to the Assembly.
