Lake Campus Clean-Up Resolution

Sponsors: Jessica Mitchell, Public Relations Chair,
and Nguyen H. Nguyen, Class Representative

- Observing** that a majority of students come to Lake Campus to spend time with their fellow students,
- Recognizing** many clubs and organizations host social events at Lake Campus, and Austin College has an event at Lake Campus for freshmen during orientation week,
- Noting** that trash and branches are not frequently cleaned up, which would discourage students from fully utilizing the facilities offered at Lake Campus because of the non-aesthetic and disorganized view,
- Appreciating** many clubs and organizations, especially Greek groups, have expressed willingness to help improve Lake Campus,
- Knowing** that the Service Station would like to see the Assembly's commitment in terms of a passed resolution,
- Be it resolved** that Student Assembly partners with Service Station to register Lake Campus Clean-Up Program to be an ongoing service project for a trial period of one year so as to encourage clubs and organizations to contribute to our community and improve our students' experience.
- Note:** that clubs and organizations can partner up to clean up Lake Campus once a month (optional).
