Promoting Campus Landscape

Sponsor: Ysabel Rose V. Lew, Roo Suites Representative

- Observing** that large patches of dirt are present in North Lawn and in front of the Administration Building,
- Understanding** that students walk through these areas of grass to shorten the distance on their commutes to class, meals, etc.,
- Aware** that Physical Plant plants seasonal seeds and grasses, such as winter rye grass, to maintain campus landscape throughout the year,
- Noting with Regret** that the efforts made by Physical Plant are greatly diminished by heavy pedestrian traffic through the areas of grass throughout campus,
- Be it Resolved** that the Student Assembly purchase the following from FastSigns:
1. 10 Signs with the design in Figure 1 for \$252.03
 2. 10 reinforced stakes to display the signs for \$60.00
- For a total of **\$312.03**
- to encourage students to use sidewalks and prevent further destruction of grass and other wildlife, allowing for the restoration of deteriorated areas.
