### New Televisions in Dickey Fitness Pavilion

Sponsor: Laurel Hagge, Charter Review Chair

- Having Examined** the current televisions in the Dickey Fitness Pavilion (DFP) are critically outdated.
- Noting** they are no longer compatible with the workout equipment and are not visually adequate
- Observing** that other televisions on campus have been updated to flat screens
- Taking into account** many people watch the televisions while working out on the machines and having bigger and clearer screens would allow a better viewing experience for the many students who work out in the DFP.
- Convinced** that having new televisions will improve the overall look of the DFP and will make a visual impact for current and prospective students
- Be it resolved** that the Student Assembly authorizes the purchase of the following items
- 7 55" Samsung LED Smart HDTVs at \$449.99 each (includes shipping)
  - 7 Mounting brackets at \$16.96 each (includes shipping)
- For a total of \$3,268.72

Note - Link of items to be purchased
