Roo Suites Sidewalk

Sponsors: Deric McCurry, Class Representative & Clarissa Caballero, Caruth Representative
Co-Sponsor: Jessica Mitchell, Public Relations Committee Chair

- Convinced** that many Austin College students use the sidewalks on campus as their primary means of transportation to and from class, residence, or other activities,
- Aware** that many the sidewalk on the northwest side of D Building at the Johnson Roo Suites is not connected with the sidewalk along Brockett as the sidewalks of the northeast side of C Building and in between C and D Building are,
- Informed** that Austin College desires to maximize on-campus vegetation or “green space” and limit the number of sidewalks on campus for cosmetic appeal,
- Observed** that the space in question is used for pedestrian traffic regularly as evident from the eroded ground surface,
- Informed** 85% of the Roo Suites and Bryan Apartments respondents (53) believed a sidewalk here would be beneficial, and several have specifically commented on slipping and falling in this location when muddy,
- Be it Resolved** that the Student Assembly shall accept the bid of \$800 from contractor All Pro Pools to place a sidewalk on the northwest side of D Building at the Roo Suites connecting the D Building sidewalk to the Brockett sidewalk.
- *Note:** that a flat rate price of \$800 was quoted by contractor All Pro Pools.
