'Roo Suites Commons Television Resolution

Sponsor: Pranav Sheth, Representative

Having examined today's world of modern technology, the television and VCR currently residing in the 'Roo Suites Commons can be deemed ancient,

Noting the bulkiness of the television takes up space and decreases the amount of seating area available,

Taking into account that students have not been utilizing the common area, due to the lack of modern technology such as an HDMI capable television and lack of a DVD player,

Be it resolved that the Student Assembly authorizes the purchase of the following items:

- 60" Sharp AQUOS HDTV (Free Delivery) \$899.99
- Rocketfish™ - Tilting TV Wall Mount for Most 32" to 70" Flat-Panel TVs (Free Shipping) \$99.99
- OmniMount - Tria 2 TV Wall-Mount Shelf System for Most A/V Components Up to 30 Lbs. (Free Shipping) \$59.99
- Sony - Streaming Wi-Fi Built-In Blu-ray Player (Free Shipping) \$79.99
- Flexguard TV Lock \$100.00

for a total of \$1239.96 using funds from the Student Assembly Endowment to be installed by Physical Plant at no cost to the Assembly.
