Master of Arts in Teaching

Access to

Exploration

When you visit Austin College, our campus setting may surprise you. We're situated on 100 green acres with mature trees, expansive lawns, fountains, gardens, and impressive academic and residential facilities.

We invite you to join us on campus for a Preview Event and tour. Previews are offered every year on Labor Day, Columbus Day, MLK Day, and Presidents Day. Other open house events are also offered throughout the year. Depending upon when you visit, you may have the chance to attend special interest sessions, meet faculty and staff, visit with students, attend a class, and eat in the dining hall.

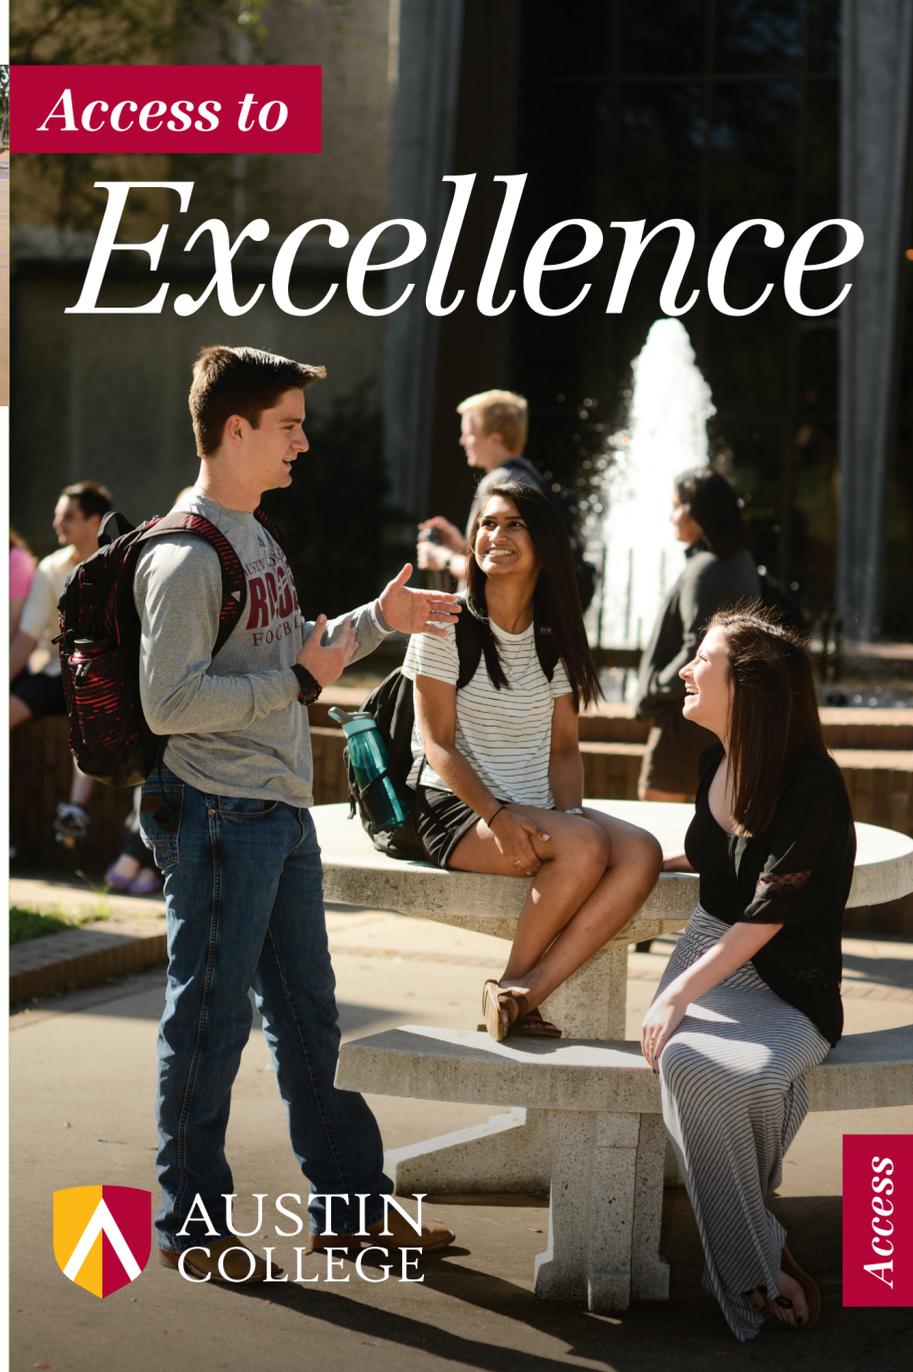

Want to go in depth? Schedule an individual campus visit and customize your experience. Individual campus visits are available most weekdays and on Saturdays during the academic year.

View our full schedule of events and register to visit.

Access

Access to

Excellence

Access to

Excellence

As one of the oldest colleges in the state of Texas, we've had some time to perfect our formula for education. Each year, you'll see our name listed in the top rankings of college guides and reviews across the nation.

We're selective by design, and our individualized approach offers exceptional learning experiences to inquisitive students who seek to make the most of it — *students like you.*

Welcome to Austin College.

"This community of learning will excite you, stretch you, expand your world, and make you believe in yourself."
— Loren Pope, *Colleges That Change Lives*

Access to

Experience

A great college experience is about more than strong academics. It's also about the opportunities that provide a launch pad for your future. At Austin College, you'll graduate with advantages that give you an edge over your peers.

Here, you'll partner with faculty to conduct research that often leads to presentations at national academic conferences. You can explore career options through internships (more than 75 percent of Austin College students do). You will be asked to develop leadership and communication skills that prepare you for every

career. You can create art in our Forster Art Complex, play Esports, join one of our many music ensembles, or compete on our award-winning Mock Trial and Model United Nations teams. At Austin College, it's all about you and your experience. And because global awareness is crucial in today's society, we encourage you to participate in international study that immerses you in other cultures and languages.

Whether your next step is graduate school or your first professional position, you won't have to worry about padding your resume; you'll be trying to find a way to fit it all in.

Access to

Inquiry

With more than 55 areas of study supported by research, internships, study abroad, and other experiential learning opportunities, Austin College defines the liberal arts and sciences experience. We're always innovating. New academic programs include Neuroscience, Public Health, Data Science and Analytics, Nonprofit Organizations and Public Service, and International Business.

Access to

Discovery

Our **Compass curriculum** is designed to meet the ever-changing needs of the 21st century and prepare you for a lifetime of success. **Hands-on learning experiences**—supported by innovative programs and unparalleled access to mentorship—are a hallmark of Austin College.

Every student has a faculty mentor, and the mentors don't just advise on course registration. Our mentors empower you to find and pursue your passions through course studies, applied learning, and co-curricular activities. Your initial semester on campus includes a **First-Year Seminar** course taught by your mentor. In addition to focusing on a specific area of interest, this seminar course lays the foundation for your success at Austin College by helping you develop writing, communication, critical thinking, and problem-solving skills.

Every Austin College student is guaranteed to complete an **Applied Learning** experience: internship, research project, leadership or international experience, or an integrated learning project. You can build original prototypes in our **Product Lab**, manage the \$1 million **Todd A. Williams Student Investment Fund**, or conduct **undergraduate research**.

AN APPLIED LEARNING EXPERIENCE

Access to

Engagement

From **community service** to special interests, arts to social action, more than **70 campus organizations** provide a wealth of options to pursue your passions.

On-campus activities include music events, film screenings, lectures, theatrical performances, group fitness activities, and more. **Our Lake Texoma**

recreational area is your destination for swimming and camping just a short drive from campus.

Our local community offers you **access to internships and civic involvement** while the Dallas-Fort Worth Metroplex and its professional opportunities, pro sports, concerts, and cultural events are just 45 minutes away.

Access to

Community

Within our vibrant campus community, friendships develop naturally as students learn, live, and play together. Because our students represent many cultures and ethnicities, you'll find a diversity of ideas and experiences welcome here. **Forty-six percent of students represent ethnic minorities.** Our Presbyterian Church (USA) heritage cultivates an inclusive atmosphere that supports all students' faith journeys regardless of religious tradition or background.

Our various campus housing options allow you to further enjoy the benefits of a tight-knit, residential campus. If you are interested in studying a foreign language, our **Jordan Family Language House** offers an immersive language and cultural environment. You can attain proficiency in French, German, Japanese, or Spanish, while living alongside native speakers.

Access to

Athletics

At Austin College, you don't have to sacrifice academics for athletics. Our participation in the Southern Collegiate Athletic Conference* allows our student-athletes to excel both on and off the field. During the 2018-2019 year, 120 student-athletes earned all-conference academic honors. We offer 18 NCAA DIII varsity sports, plus a full range of intramurals. Our facilities include two gyms, a pool, a football stadium, a fitness pavilion, baseball and soccer fields, and a multipurpose intramural complex.

Austin College Kangaroos

Men: Baseball, Basketball, Cross Country, Distance Track, Football, Soccer, Swimming & Diving, Tennis, Water Polo*

Women: Basketball, Cross Country, Distance Track, Soccer, Softball, Swimming & Diving, Tennis, Volleyball, Water Polo*

*Austin College football competes in the Southern Athletic Association; water polo teams also compete outside of SCAC.

Access to

Service

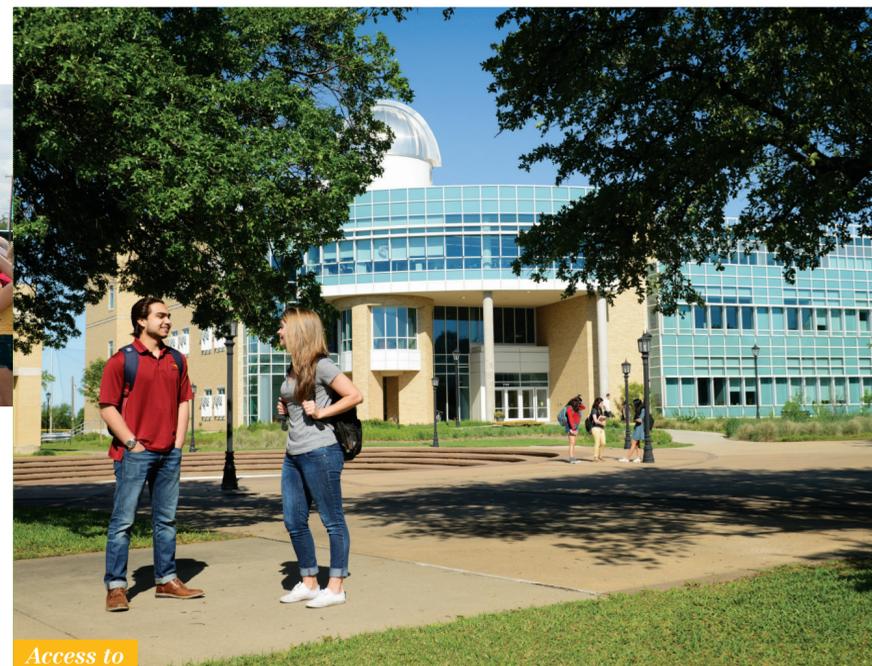

Nine of every 10 Austin College students **volunteer**, and each year, our students contribute thousands of hours to service. Our **Global Outreach Fellowships** give you the chance to design your own international service project funded by Austin College.

Access to

Success

From the moment you arrive on campus, faculty, staff, and fellow students want to see you succeed. The Scarborough Center for Writing provides guidance for writing needs within all disciplines. Our Academic Skills Center provides tutoring and study help; Career Services staff help students identify interests and prepare for interviews. Because student success is the goal of the entire community, **Ninety-three percent of May 2019 graduates completed degrees in four years or less.**

Access to

Recognition

In addition to being included in the prestigious *Colleges That Change Lives*, Austin College regularly receives recognition for our exceptional college experience. From our focus on international college study to faculty mentorship, internships, environmental awareness, and service learning, you'll discover **we have a reputation for excellence.**
