### Instructions for completing Field Experience Log

1. Enter exact times. Do not round.
2. Enter exact number of minutes. Do not round.
3. District Names do not need ISD. Settings could include early childhood centers or similar settings.
4. Include school level in school name. Pre-K Center=PK; Elementary School=ES; Intermediate School=IS; Middle School=MS; Junior High=JH; High School=HS.
5. Activities: Briefly describe the activity you engaged in while in the classroom. If you did not participate in instructional activities, your time should be labeled "Observation." Examples of activities include: assisting in group instruction, leading small group instruction, tutorials, teaching a lesson, attending parent/teacher conference etc.
6. Mentor's Signature. Your host teacher should verify and sign your daily log.
7. Total Number of minutes for each sheet in last row. Report as HOURS : MINUTES. EX: 136 Minutes = 2:16
