Video Games in the Pouch Club

Sponsor: Daniel Oxenreiter, Senior Class Representative

Having Examined	The entertainment systems in the pub are obsolete,
Noting	there are no spaces on campus to play video games,
Observing	there is space in the Pouch Club to store a video game console as relaxation area,
Taking in account	many students play videogames as a study break while in their room and having a console in the Pouch club will create a more social environment,
Convinced	that having a video game console will significantly increase the traffic in the Pouch Club,
Be it resolved	that the Student Assembly authorizes the purchase of the below items:
