### **Couch Cushion Replacement in the WCC**

Sponsor: Dean Hall Representative Melika Monfared

- Observing** that the WCC lounge and PUB couches are damaged on their surfaces, therefore lowering the clean, aesthetic appeal of Austin College when guests or events are held in these areas,
- Having heard** the students complain about how uncomfortable it is to sit on the damaged cushions,
- Be it resolved** that the Student Assembly will take initiative to refurbish all 56 cushions, 34 from the lounge and 22 from the PUB, each slip cover costing \$40.08 for a total of \$2,244.48 which will be purchased from University Furnishing.
- Note 1:** Physical Plant and Student Life will install the cushion covers on the couches.
