Jordan Family Language House Dry Erase Board Resolution

Sponsor: Shelby Bagby, Sophomore Representative

- Observing** that there are no interactive study materials in the Jordan Family Language House
- Convinced** after meeting with the Jordan Family Language House Hall Council that approximately 40 students would be able to utilize this dry erase board,
- Having seen** that the Jordan Family Language House computer lab lacks such an object for which students can study with,
- Recognizing** that the majority of the other residence halls at Austin College contain a white board in their respective study spaces,
- Be it resolved** the Student Assembly approves the purchase of one (1) 4' x 6' dry erase board (LNT-0827-SO) at the cost of \$266.69, and one (1) plaque 1 at \$40.00 resulting in a total of \$306.69.
- Note 1:** This proposal will be funded by the Student Assembly, and Physical Plant will carry out the installation.
- Note 2:** Units will be installed April 2018 upon arrival of the whiteboard, with the expectation that they will be ready for use at the beginning of May 2018.
- Note 3:** Mounting hardware is included for the whiteboard.
