

Assistant Professor of Biology

Austin College's [Department of Biology](#) invites applications for an Assistant Professor of Biology, tenure track, beginning August 2019. Broadly trained biologist capable of teaching developmental biology or expand current offerings in molecular, cellular or physiological biology. Will be expected to teach introductory cellular biology and to develop an active research program with undergraduates. Ph.D. required, undergraduate teaching experience desirable. Austin College is a selective liberal arts college with a biology faculty of ten. For additional information see <http://www.austincollege.edu/jobs>.

Candidates should include: a letter of application, curriculum vitae, a one-page description of teaching philosophy a one to two page research plan that incorporates undergraduates, copies of undergraduate and graduate transcripts, and three letters of reference. Please combine materials into one PDF document and email to biologysearch@austincollege.edu (preferred). Referees should send letters of recommendation to the same email address with the applicant's name in the subject line. You may send hard copies to Dr. Beth Gill, Vice President for Academic Affairs, Austin College, 900 N. Grand Ave., Suite 6D, Sherman, TX 75090-4400. Review of applications begins October 1st.

[Austin College](#) is a leading national independent liberal arts college located north of Dallas in Sherman, Texas. Founded in 1849, making it the oldest institution of higher education in Texas operating under original charter and name, the college is related by covenant to the Presbyterian Church (USA). Recognized nationally for academic excellence in the areas of international education, pre-professional training, and leadership studies, Austin College is one of 40 schools profiled in Loren Pope's influential book *Colleges That Change Lives*.

Austin College is an *Affirmative Action/Equal Opportunity Employer* committed to a diverse faculty, staff, and student body and welcomes all applicants. Must be legally authorized to work without sponsorship for employment visa status (e.g., H1B status).
