

2019 JanTerm Photo Contest

The photo contest will be open to Austin College undergraduates who attended a 2019 travel JanTerm. This contest is designed to promote international education and cultural awareness as an important part of a liberal arts education. Studying abroad generates both intellectual and personal sensitivity to variations of life, culture, and scholarship in the world.

As such, the photo contest is intended to highlight experiential learning at Austin College—through the lens of a JanTerm abroad. We have designated **3 photo categories** to captivate distinct highlights of your experience:

- **Cultural Snapshots** - local activities and customs that make up your destination's cultural identity
- **Beauty in Nature** - natural wonders found during your adventures
- **Urban Life and Cityscapes** - insight to urban architecture and everyday living in the city

All photo contest submissions must have been taken on a **JanTerm 2019 travel course** by an Austin College undergraduate.

Please note that by submitting photo(s) to the contest, you are releasing them for use to Austin College and the Office of International Education for any future promotional use.

2019 JanTerm Photo Contest Deadline: Wednesday, March 6th at 4:30pm

Rules

Qualifications

- You must be a current undergraduate student at Austin College
- Each photo must have been taken on a 2019 travel JanTerm & must fit the following digital specifications:
 - At least 2400x3000 pixels **AND**
 - At least 3MB in file size
- Photos must not be edited to the extent of distorting the original image
- Photos must not contain any vulgarity or explicit content
- **Photos of animals may only be submitted to the Beauty in Nature category**
- Each student may submit a maximum of 3 photo entries (1 photo per category).
Categories are:
 - **Cultural Snapshots** – local activities and customs that make up your destination’s cultural identity
 - **Beauty in Nature** – natural wonders found during your adventures
