Barricade Purchase

Sponsor: Matt Li, Sophomore Representative

- Informed** that organizations at Austin College rent barricades for events requiring crowd control (Kangalooza, Mega Texas Fest, Homecoming, etc.),
- Aware** that the cost of renting barricades for each event (hundreds of dollars) over time is unsustainable,
- Convinced** That the initial expense of the barricades will be merited in the next couple of years,
- Be it resolved** the Student Assembly approves the purchase of:
- (16) Galvanized Steel barricades, 8 ft (width-end to end) by 43 in. (height) with (2) Detachable feet (bridged) at the cost of \$88.95 each, a discount of \$71.16, with shipping costs of \$523.54, and with total cost being **\$1,875.58**.
- Note:**
- The barricades will be stored in the Sherman Wire Plant
 - Link to items to be purchased: <https://www.crowdcontrolstore.com/eq-manufacturing-heavy-duty-steel-barricade-8-ft>
