Charging Station in Kangaroo Coffee Shop and 3rd Floor IDEA Center

Sponsor: Lisha Jacob, Senior Class Representative

- Understanding** many Austin College students use electronic devices in the Kangaroo Coffee Shop and 3rd floor IDEA Center, but do not bring a charger or have an appropriate location for charging these devices,
- Noting** the success the charging stations placed in the IDEA Center, the dining hall, Hopkins Center, the Admin Building and the Pouch Club,
- Convinced** that students have a strong desire for additional charging stations to be added in the Kangaroo Coffee Shop and 3rd floor IDEA Center,
- Having seen** the general opinions of the affected students regarding this idea, including 91% (Spring 2016) of those surveyed showing support of additional charging stations.
- Be it resolved** that the Student Assembly authorizes the purchase and installation of the following items
(1) Kwikboost Standard Wall Mounted Charging Station priced at \$499, to be installed by the study tables on the 3rd floor of the Idea Center
(1) Kwikboost Standard Floor Stand Charging Station priced at \$699, to be placed in the Kangaroo Coffee Shop
- *Note:** With shipping cost of \$85.00 and tax of \$98.84 for a total of **\$1,381.84** using funds from the Student Assembly Endowment and will be installed by Physical Plant.
