T-Shirt Cannon for Campus Organizations Resolution

Sponsor: Will Gerber, Budget and Finance Chair

Having examined that there is a lack of interaction with students involved in on-campus events such as sports, CAB events, etc.

Noting this has been visible through increasing lack of attendance at many different on-campus events

Convinced that the purchase of this T-shirt cannon would help to get students more excited about the events as well as improve the experience and increase attendance for any organization's events

Further Noting this T-shirt cannon is of high enough quality to last the school several years, increasing event attendance into the future

Be it resolved that the Student Assembly authorizes the purchase of the following items:

Micro-Mini T-Shirt Cannon= \$699.00
Extra CO2 Tank with On/Off Valve= \$50
Shipping= \$31.66
Total= \$780.66

Note: This machine will be stored in the SA Office, links for purchased items
