Customized Door Mats Improvements

Sponsors: Jeffrey Berk, Dean Hall Representative, Alex Pettit, Sophomore Representative,
Celeste Rodriguez, Clyce hall Representative

Co-Sponsor: Sarah Safarimaryaki, Budget and Finance Committee Chair

Having examined

the rainy weather in the fall semester has increased the amounts of mud near the exits of the main campus, especially in the Wright Campus Center where there is the most traffic,

Noting

There are no mats that have the Austin College logo on campus and the current mats are no longer in good condition,

Hoping

the addition of door mats will decrease the amount of cleaning needed by providing a material for visitors to wipe their shoes and acts as a source of promotion for the college to visiting families,

Be it Resolved

that the Student Assembly authorizes the purchase of two mats at the main entrance of the Wright Campus Center to test this concept for possible future purchases. (The members of the budget and finance committee will monitor these mats during the remainder of this school year.)
