Sal Khan Visits Campus

Salman Khan, founder of the Khan Academy, is at the forefront of a sea change in how the world will use technology in education. And on March 21, he joined the Austin College community in celebrating his accomplishments as recipient of the 2013 Austin College Posey Leadership Award. Before a packed crowd of students, educators, and local leaders, Khan stood at the front of Wynne Chapel on the Austin College campus and shared his story. He answered questions at lunch and during a class session afterward. That evening in Dallas at the Perot Museum and the annual Global Outreach Forum, Khan received the award and the accompanying $100,000 check.
