Your Gifts Matter!

Receiving a scholarship to attend Austin College is a life-transforming opportunity. Scholarships are critical for talented students who then go on to transform the world. **Your gift of any amount matters deeply to our students.** Austin College counts on generous alumni and friends to make these scholarships possible each year, and we are grateful for this support! As we come to the close of the 2017-2018 fiscal year, **please support current students with a gift.** For more information, contact Leanna Swart, 903.813.2043.

Dr. Steve Goldsmith, Austin College professor of biology and dean of Sciences, has led JanTerms in Hawaii several times in the past 20 years. Students explore a range of habitats on the volcanic island. In light of the recent devastating eruptions, Goldsmith offered some information about the volcanoes and the area.

Four 2018 Lemuel Scarbrough Jr. Summer Research Fellows (Anna Centala, Nicholas Frederick, Alison Boehmer, and not pictured, Meredith Huff) have begun projects in Social Sciences and Humanities specialties. The program was created to give students the opportunity to build upon the mentoring relationship with a faculty advisor while conducting research in an area of interest. Scarbrough, a 1958 alumnus, endowed the program in honor of former Austin College professors Clyde Hall and Paul Beardsley.
