**Topic:** Virtual Information Session  
Texas Tech University at Austin College

**Date:** Wednesday, May 13, 2020  
**Time:** Noon CST

The Texas Tech University at Austin College program offers a hybrid format where students can participate in a variety of modalities including in-person classes on the Austin College campus, hybrid courses where students can remotely join live classes being taught on the Texas Tech University campus, and strictly online courses that allow maximum flexibility.

Get your questions answered on topics like graduate coursework expectations, program costs, course requirements and admission standards.

**Password:** 5yjasf

If unable to attend, please contact TTAAustinCollege@ttu.edu for more information about these great opportunities!
**Master of Arts in Technical Communication:**

The MA in Technical Communication is a great way for students to show their mastery of technical communication skills for industry positions in technical writing, writing, editing, and management or for further graduate study. MATC students have opportunities to gain experience with real clients in coursework and in the Usability Research Laboratory.

**Master of Arts in Strategic Communication and Innovation:**

The MA in Strategic Communication and Innovation is focused on preparing students for senior-level positions as strategic communicators in today's global and digital environment. The program is offered exclusively online to meet the needs of students, most of whom are communication professionals.

**Master of Public Administration:**

The Master of Public Administration (MPA) is fully accredited by the [Network of Schools of Public Policy, Affairs, and Administration (NASPAA)](https://www.naspaa.org). The MPA program is designed to provide students with the highest quality education for careers, or advancement of careers, in healthcare organizations.
