Emergency Fund Donation 2021 Resolution

Sponsors: Jeffrey Berk, BARS Representative

Having examined

the devastating impacts of the Covid-19 pandemic and the losses of life it has brought to our nation and world as well as the economic hardships on members of the Austin College community

Noting

That we have lost Lucius Christian Miller known as Chris Miller, an Austin College student, to this disease and the incredible impact he has made on those he knew during his lifetime,

Convinced

There are numerous members of the Austin College community who have benefited from the Emergency Fund-a fund composed of donations overseen by Chaplain John Williams to help members with unexpected emergency expenses. Contributing to this fund would send a positive message to the community to honor Chris Miller and those financially impacted by the pandemic.

Be it Resolved

Student Assembly donates \$500 dollars to the Austin College Emergency Fund.
