Inflatable Projector Screen

Sponsors: Nicole DeLuna, President

Aware

Austin College student organizations, including Campus Activities Board (CAB) have been paying outside vendors for projector screens to accommodate outside events. The total cost spent so far is \$375 to rent the screens.

Convinced

Student organizations would benefit from the investment of an inflatable projector screen. This would help with budgeting for organizations because they won't need to spend expenses on rentals for projector screens. Additionally, this would be available for all organizations to use as an outdoor event to accommodate social distancing.

Be it Resolved

Student Assembly purchases an Inflatable Projector Screen at the cost of \$235 from Walmart.

Noting

The screen will be stored with CAB and can be checked out by student organizations from the CAB office.

Also Noting

The purchase will include the inflatable screen, inflation fan, tie downs, and storage bag.
