Gaga Pit Ball

Sponsors: Drew Easley & Evan Preston

Co-Sponsor: Munshif Adhiant & Jeffrey Berk

Having examined

Austin College lacks outdoor activity options for students. Based on popular opinion, there is a sizable amount of interest in the purchasing of a Gaga Pit, a place for the play of Gaga Ball.

Informed

Gaga ball is an active sport played recreationally. According to Gaga Center, “the game is played with a soft foam ball, and combines the skills of dodging, striking, running, and jumping, while trying to hit opponents with a ball below the knees. Players need to keep moving to avoid getting hit by the ball.”

Convinced

The purchase of Gaga Ball would allow students to participate in an activity while accommodating COVID-19 rules. This product will bring students together and establish a campus wide community.

Cognizant

This would entail finding a location on campus with a roughly 20 by 20 radius and constructing a Gaga pit. Locations could potentially be the College Green, North Lawn, Graduation Court, and other parts of campus with open space outdoors.

Be it Resolved

That this assembly put forth the funds necessary for the purchase of portable Gaga ball pit for use on campus. The total cost of the product will be about \$4600. The cost includes the portable pit and shipping.

Noting

The purchase will include the pit, two balls, locking hubs, and key

Further Noting

The storing of the Gaga pit is still being decided. Should the resolution be passed, Student Life has agreed to find a place to store it.
