Ida Green Printer
Sponsor: Stephanie Hardin

Having examined	The Sally and Jim Nations commons serves as a study space for many students. There is currently no printer available to students in the commons.
Recognizing	Ida Green lacks the infrastructure to install a printer quickly. However, IT is currently working on plans to find a location in the building to place the proper infrastructure and has intentions to install a printer over the summer.
Convinced	The installation of a printer will be beneficial to students to print notes, papers, readings, etc. for studying.
Be it Resolved	Student Assembly provide the necessary funds to purchases to install a printer in the Sally and Jim Nations learning commons for a total cost of $1350.
Noting:	The total cost includes the following:

> **$500-**Table
> $250 Installation
> $600 Printer, Power, and Ethernet
