## Opinion Resolution: Lids in the Cafeteria

Sponsor: **Amie Johnson**, Freshman Class Representative

**Aware**

That the COVID-19 pandemic has altered the way that the cafeteria functions. This includes but is not limited to the prohibition of outside drinks and drink containers in the cafeteria and the transfer to disposable, paper cups.

**Having Seen**

Students are no longer able to take drinks from the cafeteria with them. This is because transporting an open container is not convenient and prohibited in some areas of campus, such as Abell Library.

**Convinced**

That as long as outside containers are prohibited and disposable cups are used in the cafeteria, then lids should be provided for student use. By providing lids, students will still be able to utilize the cafeteria to its fullest extent.

**Be it Resolved**

That Austin College will be returning to flatware and drinking ware in the 2021 fall semester. Should the campus need to return to disposable drinking ware, then lids shall be provided.
