Created By: Natalia Nevarez

# About the Multicultural Family Center

- The mission of the Multicultural Family Center is to help disadvantaged and immigrant families become a part of their community
- The services offered there include:
  - Immigration Services
  - The Latino Family Literacy Project
  - Citizenship Classes
  - English Second Language (ESL) Classes
  - And many more to be added soon!

# The Latino Family Literacy Project

My first week at the Multicultural Family Center I spent learning more about the immigration progress and I was also tasked with creating a library style system for The Latino Family Literacy Project to help the teachers keep track of the books provided to students.

Purpose: This program is sponsored by Dollar General with the purpose of promoting the positive impact of reading to/with young children specifically in immigrant and low income families. They provide books, such as the one picture here, that are both in Spanish and English.

# Consultation Intake Forms

As my previous project showed the Multicultural Family Center has grown in the past year and the point of my work this summer was to help their systems and processes work with it.

# Art for all

One of my last projects at the Multicultural Family Center was applying to a grant provided by the ALDI grocery stores. The goal for this grant is to fund art classes for immigrant children in the area.

Part of the application process was doing research about the impact that art has on children, specifically how it can provide a creative outlet for them to deal with the hardships of being in a new country and having to learn a new language sometimes without their family members.
