## TVs for WCC and Residence Halls Resolution

Sponsors: **Even Preston**, Clyce Hall Representative, and **Jeffrey Berk**, BARS Representative  
Co-Sponsor: **Andrew Easley**, Clyce Hall Representative, **Munshif Adhianto**, Freshman Class Representative

### Having examined

the extremely limited number of TVs located in the WCC and the absence of TVs in the residence halls for advertisement of student activities and events on campus

### Hoping

To promote student organization news, events, elections, along with crucial college announcements.

### Be it Resolved

Student Assembly purchases 6 Television Screens of varying sizes (1 for each residence hall, and two for the WCC, one of which will be for the cafeteria) along with the associated wiring and labor costs, and approve the installation of these TVs in the WCC and residence halls. The total cost for the 6 TVs will be \$4,237.75.

### Noting

Physical Plant has agreed to help with the installation of the TVs once purchased.

Current Quota on supplies:

(This quota only includes 5 TVs while the resolution and final cost is for 6 TVs.)
