

VETERANS ONWARD

The Veterans Onward program at Austin College empowers transitioning service members (TSMs) to address their personal and professional goals as they return to the American civilian community. The program pairs tailored academic degree programs with local internship opportunities to help students develop an action plan centering on future employment in Grayson County.

About this Program

Service members will first enroll in the Veterans Onward program at Austin College before interning with local businesses and non-profit organizations which offer civilian work experience through industry training. Afterwards, service members can enroll Full-time at Austin College or pursue Employment with one of the local partners In Grayson County.

About Austin College

Austin College is a four-year liberal arts college on a beautiful campus in North Texas. In the seat of Grayson County, the College is located between Sheppard Air Force base, Red River Army Depot, Dyer Air Force Base, Naval Air Station Joint Reserve Base Fort Worth, Fort Cavazos, Macalester Army Ammunition Base, Fort Sill, and Altus Air Force Base. Grayson County has a strong economy, low cost of living, is near the DFW metropolitan area, and is close to recreation on lake Texoma. Because of this, Sherman-Denison is an excellent location for TSMs to relocate to upon discharge.

2023 Program

The Veterans Onward Program at Austin College is accepting applications for the 2023-2024 year. Space is limited for Both the January and Summer sessions.
