

Austin College General Assessment Rotation Schedule

The schedule below indicates when each Austin College General Education requirement will be assessed over the next few years. In general, it follows either every other or every third year, but in order to make any given year more manageable for the assessment team, some requirements do not follow that exact pattern. Each is assessed at least twice in five years, and most are assessed three or more times.

¹APPL requested in 2022 that it be assessed three years in a row, and this would be the third year.

² The Writing QEP Task Force requested FW and AW be assessed one more year in anticipation of the QEP final report in 24-25.

³ Languages will be assessed using placement exams scores; they will not submit materials for the assessment workshop.
